THE BOARD OF TRUSTEES

The Board of Trustees of Prairie Spirit School Division recognizes the importance of a healthy balance between work and personal time. In order to help support and encourage a positive balance we support our staff in waiting until the next school day in responding to communications after 3:30 pm. (The end of the school day). Likewise, we do not expect our staff to respond to communications during the weekends. In the case of urgent matters, staff may respond before the next school day.

Please let the school know if your child will be absent.
