High School fastpitch and baseball have started! Come and support Cartwright School female students Breanne Langan and Casie Livingstone. On the boys team from Cartwright School are Connor Langan, Wyatt Livingstone, James Kinley, Collin McDonald and Tanner Harms.

Track and field events will also be starting again with middle years and high school events happening towards the end of May.

****May 30 will be our last hot lunch for this school year.****

DID YOU KNOW that we have a water bottle station in our school? With the weather turning nicer and the days being warmer, the students are encouraged to fill their reusable water bottles with fresh, cold water as often as necessary!
